Accounting for MA Credit and Equity Analysts (Hardback)

By James E. Morris

McGraw-Hill Education - Europe, United States, 2004. Hardback. Condition: New. Language: English . Brand New Book. This book offers everything investment professionals need to know about accounting - in a practical desk reference format. In today s world of constantly changing accounting rules, models, and practices, investment professionals need an authoritative, all-in-one, fast-access reference for the latest knowledge and information. Accounting for MA, Equity, and Credit Analysts provides comprehensive and easy-to-understand answers to the everyday accounting questions that come up time and again in the investing arena. Noted MA accounting authority James E. Morris has spent years dispensing accounting advice on Wall Street, and he knows which questions consistently baffle even the most experienced investment pros.He answers those questions and hundreds more as he provides clear and concise explanations of areas including: subtle, less understood aspects of common accounting areas and procedures; purchase accounting for business combinations - essential not only for MA analysts but for credit and equity analysts as well; and, accounting for employee stock options, and its effect on both earnings and cash flow. Today s investment accounting landscape is undergoing tumultuous and unprecedented change. Professionals who fail to keep up with that change risk being left...
