

Beasts and Super-Beasts (Annotated)

By H H Munro (Saki)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Beasts and Super-Beasts is a collection of short stories, written by Saki (the literary pseudonym of Hector Hugh Munro) and first published in 1914. The title parodies that of George Bernard Shaw s Man and Superman. Along with The Chronicles of Clovis, Beasts and Super-Beasts is one of Saki s best-known works. It was his final collection of stories before his death in World War I, and several of its stories, in particular The Open Window, are reprinted frequently in anthologies. The majority of the volume s stories deal in some fashion with animals, providing the source for its title. Most of the stories appeared previously in periodicals. Stylistically, Beasts and Super-Beasts displays the simple language, cynicism and wry humor that characterize Saki s earlier literary output.

Reviews

This published publication is wonderful. Of course, it is actually engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
