Shearsman Books, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Faulty Mothering is based on my work with families but focusing on mothers in particular who are experiencing problems in attachment to their children. A backdrop to such difficulties maybe poverty, mental-health problems, substance misuse, adoption, fostering, domestic violence or being poorly parented themselves. I am interested in the capacity of people to change and in the courage of children and young people who adapt and survive adversity. The poems explore those issues. The Song Cycles , which make up the rest of the book, come from a call and response, using sentences sometimes written by others in novels which have resonated for me.
