

I Ching Readings (Paperback)

Filesize: 2.32 MB

Reviews

The most effective pdf i ever go through. It is probably the most incredible book i have got study. You wont sense monotony at at any time of the time (that's what catalogues are for relating to if you check with me).

(Ahmad Heaney)

Page Publishing, Inc., 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Allen Young's previous books include *Catching God's Thoughts and Vision and Change*. He has assisted thousands with the use of intuition and the I Ching method in his counseling and teaching practice since 1990. Before making the ten-year transition into his current spirit-centered career, Allen was a university professor of management science and psychology. All the troubles of the world, especially spiritual troubles such as hopelessness, impatience, depression, and anger, have roots in the human failure to communicate with the soul. *I Ching Wisdom from the Soul* is a workbook that makes apparent how you can receive answers to personal questions from the unseen guest that is always with you. Reason can analyze and organize, but only through intuition can the soul create. Just as the Internet gives unlimited access to rational knowledge, the power of intuition gives unlimited access to higher self-knowledge. This book advances the power of intuition through the I Ching method and helps you see the soul's perspectives and laws that pertain to all situations. Forty years ago, I did not know about intuition or the I Ching. Getting my first and awesome psychic reading helped me to make sense of my problems. I was elated when I heard the soul's views and solutions. That experience marks the beginning of my passion for using intuition to heal myself and others in almost every area of life. Twenty years ago, I did not know about the Internet. When I mentioned this to a friend, he asked if I was too busy to learn faster ways to learn. As with learning new, fragile, and scary ways to use intuition, I have mastered the Internet and now...
