IT S NOT A FAIRY TALE! (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. God created the heavens and the earth in six days and on the seventh day he rested as documented in his word. The actual construction of the world we live in is absolutely amazing, and the whole concept that its more than meets the eye, although cliché, is an exact statement. All we see is the natural, but the supernatural is beyond anything that could possibly be imagined. That in a nut shell is the entire purpose for this book. God has given us a plethora of arsenal to combat this supernatural world of Angels, Demons, Fallen Angels, and Ghosts. Knowing that they are real is obvious, learning how to deal with them is another story. We are exactly who our life experiences say we should be. Although some antecedents are avoidable, and some are not. We are each individuals that think, feel, and breath independent thought. Our philosophy s, whether derived from fear or joy, shape our perception or interpretation of reality. Our stances on controversial topics and how eager we are to fight for them is what makes us free. Free to choose, free to act, and best of all free to be. Our own actions and reaction, both equal and opposing, define our character something else missing from the fabric of our construction within our generation! Aside from the religion and children s stories told in Sunday schools across the United States, tucked away in small towns and hiding in plain sight in prominent cities. We find ourselves questioning how this God, of feel good what can he do for me messages, translate into our adult lives. Subversion is blasphemy and editing is heresy. I can...
