New Generation Publishing, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. When Dawn finds a mysterious golden box covered in indecipherable hieroglyphs on a daytrip to the tiny island of Hilbre, she thinks it's a pretty trinket, an artefact from the island's smuggling past, a good luck charm for her band's next gig. Little does she, or anyone around her, suspect its power - no one, that is, except Rob, her band mate, who has a nasty glint in his eye. But all is not as it seems. For at that very moment warring alien forces are frantically searching for the precious Nexus Facilitator and will stop at nothing to retrieve it, and it just happens to be gold in colour and engraved with detailed star maps.
