

The Glamour of Cork (Classic Reprint) (Paperback)

Filesize: 7.98 MB

Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Forgotten Books, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Glamour of Cork Two facts, especially, condition the history of Cork: its climate and its situation. The mild and languorous air and the excessive moisture in the valley make sustained effort often very difficult; unconsciously one loses faith a little in achievement, out of which, logically, there may grow a certain attitude either of derisive cynicism or of gentle acquiescence. Any invader, while the energy of other places was in him, could rush the town incapable of sustained defence, too, by reason of its commanding hills. So the Danes raided it repeatedly, and the Anglo-Normans stormed it in 1172 and have never entirely let go. Nor can one believe that the Irish really meant to re-take the place, for even in 1261, when the Desmond country all round it was recovered by the MacCarthys, Cork still held for the invader. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
