Carcenet Press Ltd, United Kingdom, 2006. Paperback. Condition: New. Language: English . Brand New Book. In the great Bengali poet s autobiographical writings we discover what his translators describe as a heart of love, a mind at its service that can cut like a knife, and in some sense the spirit of a child. The six prose pieces, centering on the poet s quest, were composed at landmark moments during the second half of his life and published posthumously. At each point he looks back on a long creative journey. Here in their first English translation, the essays offer an insight into the intellectual and spiritual world of a twentieth-century genius.
