

When Death Comes: Why, How and When We Die

By Robin Sacredfire

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Many mystics know that there are ways to predict death. These ways or principles are all related. We can predict death with the analysis of auric fields, which are a manifestation of our emotions. But our emotions aren't just about how we feel. We tend to feel according to how we live, and we live according to how we perceive life. Within this line of thought, even though we can't precisely say what will happen in the future without ignoring the power of freewill, as no fortuneteller can, we can work with the probabilities described by a person's state of mind. We can say that it's possible to mention who's more likely to die in an accident, murder or by committing suicide, and who's very unlikely to end in any of these situations. To a great extent, death can be predictable and even avoided. We know that we must drive carefully, but we see many people driving recklessly. We know that we should avoid having sex without a condom, but many still...
