CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 166 pages. Dimensions: 11.0in. x 8.5in. x 0.4in. Printed in COLOR This FC provides minimum requirements for evaluating, planning, programming, and designing Navy and MC Fitness Centers. The information in this FC applies to the design of all new construction projects, to include additions, alterations, and renovation projects in the continental United States (CONUS) and outside the continental United States (OCONUS). It also applies to the procurement of design-build services for the above-noted projects. This FC applies to all military service elements and contractors involved in the planning, design, and construction of Navy and Marine Corps Fitness Centers. Includes a list of applicable NIST, UFC, and MIL-HDBK cybersecurity publications for consideration. Why buy a book you can download for free First you gotta find a good clean (legible) copy and make sure its the latest version (not always easy). Some documents found on the web are missing some pages or the image quality is so poor, they are difficult to read. We look over each document carefully and replace poor quality images by going back to the original source document. We proof each document to make sure its all there including all changes. If you find a good copy, you could print it using a network printer you share with 100 other people (typically its either out of paper or toner). If its just a 10-page document, no problem, but if its 250-pages, you will need to punch 3 holes in all those pages and put it in a 3-ring binder. Takes at least an hour. Its much more cost-effective to just order the latest version from Amazon. com This book is published by 4th Watch Books and includes copyright material. We publish compact, tightly-bound, full-size books (8...
