Brill, Netherlands, 2016. Hardback. Condition: New. Language: English . Brand New Book. In *Symbolic Traces of Communist Legacy in Post-socialist Hungary*, Lisa Pope Fischer shows how personal practices symbolically refurbish elements from the Communist era to fit present-day challenges. A generation who lived through the socialist period adapt to post-socialist Hungary in a global context. Life histories weave together case studies of gift giving, procurement strategies, harvest ritual, healthcare, and socialist kitsch to illustrate turns towards mysticism, neo-traditionalism, nostalgia, nationalism, and shifts in time-place. People's unrequited past longing for future possibilities of a Western society facilitate desires for a lost way of life. Not only does this work gain understanding of an aging population's life experiences and the politics of everyday practices, but also social change in a modern global world.
