Voted Top 100 in Childrens Books The Original Dark Fantasy Short Story Hansel and Gretel by The Brothers Grimm Hansel and Gretel is a well-known fairy tale of German origin, recorded by the Brothers Grimm and published in 1812. Hansel and Gretel are a young brother and sister threatened by a cannibalistic witch living deep in the forest in a house constructed of cake and confectionery. The two children save their lives by outwitting her. The tale has been adapted to various media, most notably the opera Hnsel und Gretel (1893) by Engelbert Humperdinck and a stop-motion animated feature film made in the 1950s based on the opera. Under the AarneThompson classification system, Hansel and Gretel is classified under Class 327. Hansel and Gretel are young children whose father is a woodcutter. When a great famine settles over the land, the woodcutters abusive second wife decides to take the children into the woods and leave them there to be by themselves, so that she and her husband will not starve to death because the children eat too much. The woodcutter opposes the plan but finally and reluctantly submits to his wifes scheme. They are unaware that in the childrens bedroom, Hansel and Gretel have overheard them. After the parents have gone to bed, Hansel sneaks out of the house and gathers as many white pebbles as he can, then returns to his room, reassuring Gretel that God will not forsake them. The next day, the family walks deep into the woods and Hansel lays a trail of white pebbles. After their parents abandon them, the children wait for the moon to rise and then they follow the pebbles back home...
