GOSPEL SHAPED LIVING HANDBOOK

The Good Book Company, United Kingdom, 2015. Paperback. Book Condition: New. 231 x 175 mm. Language: English . Brand New Book. Gospel Shaped Church is a new curriculum from The Gospel Coalition that will help whole congregations pause and think carefully and prayerfully about the kind of church they are called to be. Gospel Shaped Living is a track that explores over 7 sessions what it means for a local church to be a distinctive countercultural community. How should Christians live? The church should be a distinctive community of God's people but how different are we from the rest of the world? This track helps us untangle some of the false ideas and traditions that evangelicals have had in the past, and reveals the more deeply challenging picture that emerges from Scripture. This comprehensive handbook contains discussion questions for the main teaching sessions, daily devotionals, Bible study materials, and space for you to record your thoughts, prayers and ideas as you work through the material with your church.
