Reviews

Absolutely essential go through ebook. It typically does not cost a lot of. I realized this publication from my i and dad encouraged this publication to discover.
(Mallie Ondricka)

READING THE NOVELS OF AIDAN CHAMBERS: SEVEN ESSAYS

Thimble Press, U.S.A., 2009. Soft cover. Condition: New. A reader of the six youth novels by Aidan Chambers - the first published in 1978, the last in 2005 - once said that each story was like "a little part of a long life". This collection focuses on that long life and includes previously published critical readings as well as specially written personal accounts and excerpted blogs translated from the Swedish. Published in celebration of the author's seventy-fifth birthday in 2009, the essays offer a variety of approaches to his family of novels, the Dance Sequence.
