PARAMILITARISM AND NEOLIBERALISM: VIOLENT SYSTEMS OF CAPITAL ACCUMULATION IN COLOMBIA AND BEYOND (PAPERBACK)

[DOWNLOAD PDF](#)

PLUTO PRESS, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. The people of Colombia have, for the last fifty years, been subject to a specific form of violence: paramilitarism. An embodiment of the dark underbelly of global capitalist accumulation, this form of pervasive violence expresses the exacerbation of social inequalities and class formation under capitalism. In *Paramilitarism and Neoliberalism*, Jasmin Hristov theorises this extreme expression in light of forced displacement, labour repression, subjugation of social movements, decentralisation of violence, drug trafficking and the emergence of a variety of para-institutional armed actors across Latin America. The activities of paramilitary groups in the post-demobilisation era, their involvement in human rights violations, and their multi-level support networks inside major state institutions are documented, with a particular emphasis on violent dispossession and illegal land appropriation that has benefited agroindustries and mining enterprises. Hristov engages in a Marxist political economy approach, combined with a global sociological perspective, allowing for an expansive and deep-reaching understanding of paramilitarism as a phenomenon with many faces, ultimately illustrating how it is increasingly becoming the coercive counterpart of global capital.
