By Barry Nicholson

Starhands Publishing, United Kingdom, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.If you want your students to be lifelong learners, it's time to transform your classroom into an active learning center. Rather than relegating children to passively sit for hours at a time, encourage them to move and engage with their education through proactive practices. In his book, Practical English Summer Camp Activities, EFL instructor Barry Nicholson shares over one hundred fun, educational activities you can incorporate into your own lesson plans. Perfect for teaching English as a foreign language, this guide also works well in special needs classrooms. While traditional methods have their benefits, active and creative classes offer more rewarding results for students and teachers alike and often require less preparation. Within this gem of a resource guide, you'll find a wide assortment of playful practices that you can use to ensure students don't just hear your lesson but actually comprehend and remember it. As you begin to think more creatively about your teaching techniques and incorporate more play into your planning, you will reignite not only your students' enthusiasm for education, but...
