

Pocket World in Figures 2008

By -

Economist Books Profile Books. Buch. Book Condition: Neu. 20 cm. Neuware - This is the new edition of this annual bestseller of fascinating facts and figures about the world we live in. The 2008 edition has been completely updated, revised, refreshed and expanded. As regulars will know, 'Pocket World in Figures' contains rankings on more than 200 topics in subject areas as wide-ranging as geography, population, business, the economy, trade, transport, finance, industry, demographics, the environment, society, culture and crime. This work helps you discover: the highest mountain or longest river; where economic growth is fastest or inflation is highest; who consumes the most energy; where innovation is highest; where computer and mobile phone ownership is highest; which countries have the most asylum seekers; who spends most, and who the least, on healthcare; the heaviest drinkers and smokers; who recycles most; and, facts about obesity. This annual bestseller has the answers to all these questions and more. It, now, contains facts on more than 200 topics, data on 182 countries and profiles of more than 65 of the world's major economies, together with special profiles on the Euro Zone and the World. No well-informed person can afford to be without...

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.
