THE LOGICAL CONCLUSION (PAPERBACK)

Lulu.com, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A unique collection of the writer s political, economic, philosophical and theological thoughts and Ideas. Written over a decade it encompasses a mini autobiography of the writer s life with many unexpected twists and turns from a religious upbringing to a secular lifestyle and the return to the ultimate truth. Initially the writer was stirred to express some of his political thoughts by political events at the turn of the century. Over the course of ten plus years during the on and off writing the writer underwent a metamorphosis spurred on by totally unexpected series of events over a number of years which has been the catalyst for the reassessment of beliefs from convenient subjective truths (untruths) to an attempt to discover the objective and often seemingly, at least initially, inconvenient truth. If we then also consider historical and empirical data and we utilise our reason and common sense we are led to The Logical Conclusion.
