Brand New Book ***** Print on Demand *****. Nostalgia for our childhood brings us to a time of few responsibilities and the freedom to spend the day riding your bike with your friends around the neighborhood. This is a story of summer love, boyhood exploits, and a boy learning from mistakes as told from the memories of the author growing up into a young man. This was a time where technology was bringing many exciting things to entertain a child while planning his or her daily adventures around the neighborhood. Where this may not be a complete guide to the decade of the 80 s, you will join the author as he recounts his boyhood dreams and adventures during a decade of amazing toys, music, movies, and more. You will undoubtedly be left asking one question: Did this boy ever grow up?.
