Reviews

*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

MY OLD NURSES STORY I Was now almost nineteen. I had completed the usual curriculum of study at one of the Scotch universities; and, possessed of a fair knowledge of mathematics and physics, and what I considered rather more than a good foundation for classical and metaphysical acquirement, I resolved to apply for the first suitable situation that offered. But I was spared the trouble. A certain Lord Hilton, an English nobleman, residing in one of the midland counties, having heard that one of my fathers sons was desirous of such a situation, wrote to him, offering me the post of tutor to his two boys, of the ages of ten and twelve. He had been partly educated at a Scotch university; and this, it may be, had prejudiced him in favour of a Scotch tutor; while an ancient alliance of the families by marriage, was supposed by my nurse to be the reason of his offering me the situation. Of this connection, however, my father said nothing to me, and it went for nothing in my anticipations. I was to receive a hundred pounds a year, and to hold in the family the position of a gentleman, which might mean anything or nothing, according to the disposition of the heads of the family. Preparations for my departure were immediately commenced. I set out one evening for the cottage of my old nurse, to bid her good-bye for many months, probably years....
