

Consulting Frameworks: Use on Your Next Startup, in an Existing Small Business, or to Ace the Case Interview (Paperback)

By Peter Oliver

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Consulting frameworks are what consultants use to frame a problem as well as its solution. Consulting is a specialty of problem solving, and these frameworks act as shortcuts to problem solving. It doesn't mean that they are exclusive to consulting! anyone can learn them to help improve their problem solving skills! For the ones interested in joining consulting, practicing 1000 cases doesn't help if you don't use a framework consistently. Therefore a better approach for preparation is to understand and memorize the frameworks followed by a few cases only to store the framework in your long-term memory. Many applicants practice cases for months and then are surprised that the cases during the interview are not similar. I don't need to belabor this point too much--you get it. Learn how to think with frameworks rather than brute force your way through an unhealthy amount of cases. If you want practice cases, most if not all consulting firms offer their own cases online and for free. Those are more than enough to practice. The Concise Reads Business Success series...

Reviews

Completely among the finest pdf I actually have ever read through. it was actually writtern extremely completely and beneficial. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Santos Metz

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
