

## North Carolina s Health (Classic Reprint) (Paperback)

By Kathryn Surles

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from North Carolina s Health On an optimistic note, the state s increase in inflation-adjusted personal income and corresponding decrease in the percentage of persons below poverty far exceeded national rates of improvement during the early seventies. Still, North Carolina remains well below average in those economic indicators as well as educational attainment. Moreover, a report recently released by the n.c. Division of Economic Opportunity reveals an increase in poverty, beginning in the mid - seventies and gaining momentum between 1980 and 1981. Those hardest hit are households headed by women and the elderly. Among the elderly, the state s 1979 poverty rate of 24 percent compares with the nation s 15 percent.
