Residential Electricity Subsidies in Mexico Exploring Options for Reform and for Enhancing the Impact on the Poor World Bank Working Papers

By Todd M. Johnson

World Bank Publications. Paperback. Book Condition: New. Paperback. 96 pages. Dimensions: 9.9in. x 6.9in. x 0.4in. Large and growing subsidies to residential consumers in Mexico have become a major policy concern. This report explains the growth of subsidies, the current distribution of subsidies across income classes, and uses utility and household survey data to simulate how alternative subsidy mechanisms could improve distributional and fiscal performance. The goal is to help inform discussion in Mexico about how to reduce subsidies and redirect them toward the poor. The findings also offer lessons for other countries that are planning tariff reforms in their electricity sectors. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

It is one of my personal favorite ebook. I was able to comprehend everything using this created ebook. I am just pleased to tell you that here is the greatest ebook I have got read through within my own lifestyle and may be the finest publication for possibly.
