Redemption Press, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.When we look at world conditions today we see problems that we could not have imagined thirty years ago. We ask ourselves: Will man ever be able to get along at all? Sadly, the answer is no. From the beginning of creation, man has been in some form of combat, war or strife. When we ask why, no one has an answer. The only place to find the correct answer is in the Bible. The Bible says that God scattered the one race into many at the tower of Babel because He did not like what He saw: that with man nothing would be impossible. That is the reason God did not want one race, one speech, one tongue. That is what has kept man separated in the past. Now Satan wants to put all the races together for world domination and control. We are in the midst of that process now. That is the sum total of all prophecy. S.P. Gray has studied prophecy for 35 years and that is his gift. He likes to keep up on what s being fulfilled in the word of God. His hope is that he can be used to spark an interest in prophecy, and that the body of Christ takes prophecy the way God meant it to be. He is currently teaching a class on prophecy and has taught basic Christianity for four years.
