Forces: Physical Science for Kids (Hardback)

By Andi Diehn

Nomad Press, United States, 2018. Hardback. Condition: New. Hui Li (illustrator). Language: English . Brand New Book. Forces Physical Science for Kids from the Picture Book Science series gets kids excited about science! What keeps us stuck on the ground? What makes magnets come together? What makes one team win during a game of tug of war? Forces! Our world operates the way it does because of forces. Gravity, magnetism, pulling and pushing forces, and friction are some of the many forces that affect the way we move on Earth. In Forces: Physical Science for Kids, kids ages 5 to 8 are encouraged to observe and consider the different forces they encounter on a daily basis. By recognizing this basic physics concept and identifying the different ways it is demonstrated in real life, kids develop a fundamental understanding of physical science and are impressed with the idea that science is a constant part of our lives and not limited to classrooms and laboratories. Simple vocabulary, detailed illustrations, easy science experiments, and a glossary all support exciting learning for kids ages 5 to 8. Perfect for beginner readers or as a read aloud nonfiction picture book! Part of a set of...
