

## An Anarchy of Families: State and Family in the Philippines (Paperback)

By -

University of Wisconsin Press, United States, 2009. Paperback. Condition: New. 2, from an Out. Language: English . Brand New Book. Winner of the Philippine National Book Award, this pioneering volume reveals how the power of Filipino family-based oligarchies both derives from and contributes to a weak, corrupt state. From provincial warlords to modern managers, prominent Philippine leaders have fused family, politics, and business to subvert public institutions and amass private wealth - an historic pattern that continues to the present day. Edited by Alfred W. McCoy, An Anarchy of Families explores the pervasive influence of the modern dynasties that have led the Philippines during the past century. From the Osmenas to the Lopezes and Pardo de Taveras, elite Filipino families have acted as formidable coalitions - controlling capital, dominating national politics, and deploying paramilitary force. Beyond Manila, strong men such as Ramon Durano, Ali Dimaporo, and Justiniano Montano have used guns, goons, and gold to accumulate wealth and power in far-flung islands and provinces.

### Reviews

*A brand new eBook with a new standpoint. I have got read through and i also am confident that i will gonna read again once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Miss Shannon Hilll V

*Thorough guide! Its this kind of excellent go through. It normally will not price an excessive amount of. You may like just how the blogger compose this ebook.*

-- Mrs. Linnea McKenzie
