Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Prodigious Adventures of Tartarin of Tarascon One would never have believed himself before the dwelling of a hero. But, when one entered, bless my stars! From cellar to garret the whole building had an heroic look, even the garden. Oh, Tartarin s garden! There were not two like it in Europe: not a native tree, not a French ?ower, nothing but exotic plants, gum-trees, cala bash -trees, cotton plants, cocoas, mango-trees, banana trees, palm trees, a baobab, cochineal plants, cactuses, Barbary fig-plants. One would think himself in the middle of Central Africa, ten thousand leagues from Tarascon. All these, of course, were not of their natural size. The cocoa trees were hardly bigger than beet-plants, and the baobab giant-tree, A reas gigantea) was at ease in a mignonette-pot; but What of that For Tar ascon it was pretty enough; and the townspeople, admitted on Sunday to the honor of contemplating Tartarin s baobab, would return full of admiration. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
