Reviews

This pdf may be worth getting. It is actually written in straightforward words and not difficult to understand. You will not feel monotony at any moment of your respective time (that's what catalogs are for about should you request me).

LANGUAGE MYTHS AND THE HISTORY OF ENGLISH (PAPERBACK)

DOWNLOAD

Oxford University Press Inc, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Language Myths and the History of English aims to deconstruct the myths that are traditionally reproduced as factual accounts of the historical development of English. Using concepts and interpretive sensibilities developed in the field of sociolinguistics over the past 40 years, Richard J. Watts unearths these myths and exposes their ideological roots. His goal is not to construct an alternative discourse, but to offer alternative readings of the historical data. Watts raises the question of what we mean by a linguistic ideology, and whether any discourse—a hegemonic discourse, an alternative discourse, or even a deconstructive discourse—can ever be free of it. The book argues that a naturalized discourse is always built on a foundation of myths, which are all too easily taken as true accounts.
