Brand New Book ***** Print on Demand *****.The ultimate book to permanently lose weight and change your life. It s not about diets or exercise, it s the mindset that counts There are a million books about losing weight. Why choose this one? Essentially, because those books focus on the wrong thing, they show you a diet regime, or an exercise routine, which is not bad in itself, but they never focus on the person who actually has to diet or workout: you. Being Fat is not OK has a completely different premise. It makes you understand your own motivations and take charge of your life.
