

## I Ate the Cosmos for Breakfast (Paperback)

By Melissa Studdard

Saint Julian Press, Inc., United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Melissa Studdard s high-flying, bold poetic language expresses an erotic appetite for the world: this desire to butter and eat the stars, as she says, in words characteristically large yet domestic, ambitious yet chuckling at their own nerve. This poet s ardent, winning ebullience echoes that of God, a recurring character here, who finds us Her children, splotchy, bawling and imperfect though we are, flawless in her omniscient eyes. -Robert Pinsky In so many ways the poems in this book read like paintings, touching and absorbing the light of the known world while fingering the soul until it lifts, trembling. Gates splayed, bodies read as books, and hearts born of mouths, Studdard s study, which is a creation unto itself, would have no doubt pleased Neruda s taste for the alchemic impurity of poetry, which is, as we know, poetry that is not only most pure of heart, but beautifully generous in vision and feeling. -Cate Marvin.
