Global Challenges-
Opportunities of Sugar
Based Ethanol Fuel
Production
Is Sugar-Based Ethanol Fuel Production A Better
Option For Poor Countries?

LAMBERT
Academic Publishing

LAP Lambert Academic Publishing. Paperback. Book Condition: New. Paperback. 52 pages. Dimensions: 8.7in x 5.9in. x 0.1in. This review work is expected to provide essential policy measures taken, on ethanol fuel production, in some developing and developed countries. The growing debate about the food fuel-conflict is also discussed even if the scope is limited. Moreover; the feedstock sources for Ethanol Fuel production, taking into account the experience of Brazil, in developing countries are also discussed. The poor need alternative energy sources...
