TEACHING NINJA: TAIJUTSU (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.- ELEMENTS -MARUI ROKU -ARUKI -AWARENESS -WARRIOR SPIRIT -SWORD -STRIKING -TUMBLING -WEAKNESSES NEEDS The concept of Ninja International blossomed from the multitude of martial art styles available today. Ninjutsu has long been the most complete form of life training. To take up the art of Ninja can be an overwhelming thought at first, as it should be, for it is truly a life-long voyage of discovery. Simply thinking of the things one may encounter on a ninja mission can give you an idea of the unlimited array of techniques a perfect ninja may need to utilize. What is different about Tesaihiryu is the acknowledgement of each individual s path of maturation. Everyone grows in different ways, and so, we are not forcing rigid techniques down the throats of our disciples, but rather introducing to them the seeds of living, moving, growing tactics, that are malleable enough to customize for each individual. Our favorite way of expressing this fact is by reminding our students, and yours, that art is not art without personalization.
