## OXFORD HANDBOOK OF UROLOGY

Oxford University Press, United Kingdom, 2013. Part-work (fasciculo). Condition: New. 3rd Revised edition. Language: English . Brand New Book. Urology continues to be one of the most rapidly advancing specialities. Approximately 20 of all surgical operations and a similar percentage of surgical emergencies are urological in nature. However, often doctors have very limited experience of the many common and varied conditions encountered in this important surgical specialty. For the doctor or nurse expected to provide the initial assessment and management..
