Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Littletown: Combo One - Color Edition This book is dedicated to all of you who who will read it with, or to, children you know and love. It is a combination of the first 3 books in the LittleTown series which I published as a Kindle eBook. It has 52,000 words, 30 stories in 30 chapters, 91 color pictures of its more than 160 pictures. May you both go on a journey along with some small animals to their new town, where they can live in peace and safety. Watch as the LittleTowners fight fires, play together, feel terror together, and learn together. You will meet all the animals described in the last chapter of this book. There are water shrews, beavers, deer mice, flying squirrels, grasshopper mice, jackrabbits, marmots, kangaroo rats, muskrats, packrats, pocket gophers, prairie dogs, raccoons, squirrels, skunks, starnosed moles, voles and woodchucks. They are fascinating creatures. I have given them their own little quirks, without, I hope, departing too far from accuracy in describing them. And there are their enemies: the bear, the fox, the lynx, the wolf, the moose, the rattlesnake and the weasel. I hope you enjoy their adventures! Children up to 12 (perhaps older) will enjoy the tangled webs the LittleTowners weave as they grapple with life in their new home. Glenn Ashton.
