paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 279 Publisher: Zhejiang University Pub. Date :2009-08-01 version 2. Book on the welding machine welding structure and chemical brief. the system described. The book is divided into eight chapters. the contents of the performance of welded joints. welding deformation and stress. welding process. welding materials. welding defects and control. chemical mechanical welded structure. fracture of welded structures and control and so on. In addition to the basics. the book focuses on works from the reality about the problem. This book should be a university chemical machinery. petrochemical machinery. professional undergraduate elective course materials and teaching reference books. but also for the general machinery industry in chemical engineering and technical personnel. researchers. teachers and technicians reference. Contents: 1-1 welding technology in the application of chemical machinery manufacturing welding machines 1-2 of the structure of the welding technology trends and requirements of Chapter II 2-1 the performance of welded joints and welding the welding process characteristics of the weld joint organization of 2-2 and 2-3 performance fusion zone. heat affected zone and thermal zone should be brittle and properties of Chapter III 3-1 welding welding deformation and stress causes deformation and stress 3-2 the type of welding deformation and damage 3-3 factors that affect the welding deformation and welding distortion control measures to 3-4 of the welding residual correction method of 3-5 welding deformation stress classification and structure of 3 of -6 welding residual stress distribution 3-7 and eliminate the welding residual stress reduction measures and methods of Chapter IV 4-1 seam welding symbols and labeling 4-2 groove welded joints and the pattern of 4 -3 welding elements and regulate the choice of 4-4 metal welding and welding procedure...
