Ever since Dani s mother died of cancer, all her dad does is stand around on street corners with his crazy signs, proclaiming that processed foods mean the end of the world. The Food Freak, as he is known, has already scared away all of Dani s friends at her old school. But it s a new year, and Dani is at a new school in a different part of town. Maybe things will be better now. Dani just needs to keep her head down and avoid making any friends. That way, nobody will find out about her dad and his insane protests.
