Soon she will be torn from her supporters and shipped overseas, where she can help no one. Mosari crown prince Janto is desperate to save his country from invasion. When one of his most trusted spies disappears while gathering intelligence at the Kjallan palace, Janto takes his place and continues searching for information that could save his people. But falling for the Imperial Princess was not part of his plan. Nor was having his true identity revealed. Now Rhianne must make a choice--follow the path of tradition or the one of the heart, even if it means betraying her own race.
