

Metamorphosis: #Ai Cocoon (Paperback)

By Michael Mathiesen

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ****** Print on Demand ******. Webster s Dictionary Definition of Metamorphosis: In Biology. a profound change in form from one stage to the next in the life history of an organism, as from the caterpillar to the pupa and from the pupa to the adult butterfly. There also comes a time, in the evolution of a species where Metamorphosis of the entire genome of a species due to sudden and radical environmental change must take place in order for the species to survive in the new environment. There have only been a handful of such times in human evolution. This is such a time. In just a few short years, the Human Race will create the Al Cocoon. This is a Quantum Computer that is able to be the first Artificial Intelligence on this planet and it will be capable of storing the Human Consciousness. Many people such as Ray Kurzweil, research scientist at Google, are lining up to be the first to achieve immortality by actually leaving their fleshy brain behind and move their entire being into the realm of the Al Cocoon. I coined this...

Reviews

It in a single of my personal favorite pdf. It really is writter in basic words instead of hard to understand. Your daily life period will be transform as soon as you complete looking over this pdf.
