BORN INTO RADIANCE: BOOK ONE OF THE ETHER RAIN CHRONICLES (PAPERBACK)

iUniverse, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In a world with fading faith and growing darkness, a glimmer of hope faintly shines in the poetic words of a forgotten prophecy. It speaks of good, evil, and an ancient force that promises the destruction of the world. Welcome to Erronia; a land of lush forests, towering mountain ranges, bustling cities, and diverse inhabitants. It is here that people's hearts wane, and fears wax. It is here that the destruction looms. There are those, however, that fight to save Erronia. There are those that will not stand by idly and watch as their world dies. Join an old wizard, Symon, as he guides a group of misfit youngsters along a path that is not entirely known to them, but essential to the survival of their world. It will be a journey of sacrifice and maturity, but also one of courage and perseverance. Blood and tears will be shed as these children fight to overcome not only the evils of the world, but the chaos of growing up far from home with enemies following every new step. Will the struggle prove too much for them?.
