Reading this will help each and every manager think through the unique complexities of their business, and how to take action and lead from a place that adds value from all parts of the organization. Ronan O Loan, Senior Organizational Consultant, Microsoft Every organization needs to know how to deliver on its promise. Brand Driven gives leaders at every level a compass and tools for effectively working toward organizational goals and building company value. Jill Neuville, Human Resources Director, Arlington County, Virginia The concepts in Brand Driven underline the importance of leadership's responsibility to deliver their organization's brand promise.
