

The Immigrants

By Howard Fast

BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. This is a love story of great beauty and great tenderness, the kind of love story that entangles the listener in the lives of the characters, so that after the story is over, one continues to live with those characters. And fortunately, the listener will not have to say farewell to these characters. The Immigrants is complete in itself, an absorbing novel of high adventure, romance, joy and tragedy. But it is also the first in a series that will tell the story of three Californian families over the course of the twentieth century.
