Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Growing up in a vegetarian family, Tara Austen Weaver never thought she d stray. But as an adult, she found herself in poor health and, after trying cures of every kind, a doctor finally ordered her to eat meat. Warily, she ventured into the butcher shop, and as the man behind the counter wrapped up her first-ever chicken, she found herself intrigued. Eventually, he dared her to cook her way through his meat counter. As Tara navigates through this confusing new world--grappling with her revulsion to raw meat and trying to find chickens that are truly free-range--she s tempted to give up and go back to eating tempeh. The more she learns about meat and how it s produced, and the effects eating it has on the human body and the planet, the less she feels she knows. She embarks upon a sometimes hilarious, sometimes frightening whirlwind tour that takes her from slaughterhouse to chef s table, from urban farm to the hearthside of cow wranglers. Along the way, she meets an unforgettable cast of characters who all seem to take a vested interest in whether she opts for turnips or T-bones. *The Butcher and the Vegetarian* is the rollicking and relevant story of one woman s quest to reconcile a nontraditional upbringing with carnivorous desires.
