Reviews

Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.

(Wilbert Connelly)

FREAKS OF THE INDUSTRY (PAPERBACK)

To read **Freaks of the Industry (Paperback)** eBook, you should refer to the button below and download the ebook or gain access to additional information which are highly relevant to FREAKS OF THE INDUSTRY (PAPERBACK) ebook.

Rare Bird Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. In the tradition of Mark Z. Danielewski's *House of Leaves* and P.T. Anderson's *Magnolia*, Adam Novak explores the city of angels and demons in his third novel *Freaks of the Industry*. Studio executive Rodney Muir quits the business after a prostitution scandal and returns home to Washington, DC where he falls for two women, the unhappy wife of a diplomat who harbors a dark secret and a federal agent investigating a Starbucks triple homicide who uncovers a White House conspiracy that threatens them all. Low-budget horror filmmaker Thor Rosenthal gets a shot at the big time when homeless junkie turned Oscar-winning movie star Antwon Legion agrees to star in his desert thriller about a carpenter named Jesus investigating a serial killer stalking Mary Magdalene in Golgotha. The only problem is the movie star playing the messiah might be the Anti-Christ. Larry Mersault works at the oldest talent agency in Hollywood as the script reader for Antwon Legion. Juggling the insatiable daughter of the agency chairman with endless script coverage requests, Larry is ordered to assassinate Legion by the chairman and break up with his daughter, forcing the reader to choose between a career he loves and the people he loves the most.
