STIRRED YOGHURT FORTIFIED WITH DIETARY FIBERS

Stirred Yoghurt Fortified
With Dietary Fibers
Effect of Fortification on Some Properties of
Fermented Milk

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Effect of Fortification on Some Properties of Fermented Milk | Food fortification is the addition of one or more essential nutrients to a food, whether or not it is normally contained in food, for preventing or correcting a demonstrated deficiency of one or more nutrients in the population or specific population group. Dietary fibers may play a major role in preventing some illnesses. As dairy products are naturally deficient in fibers, these...
