Hodder Stoughton General Division, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. A New York Times bestseller A Goodreads Choice YA finalist Get ready to fall in love with Dimple Shah and Rishi Patel HelloGigglesThe arranged marriage YA romcom you didn't know you wanted or needed. Meet Dimple. Her main aim in life is to escape her traditional parents, get to university and begin her plan for tech world domination. Meet Rishi. He's rich, good-looking and a hopeless romantic. His parents think Dimple is the perfect match for him, but she's got other plans. Dimple and Rishi may think they have each other figured out. But when opposites clash, love works even harder to prove itself in the most unexpected ways. As joyfully refreshing as Rainbow Rowell, Jenny Han and Nicola Yoon, When Dimple Met Rishi is a frothy, funny contemporary romance told from the dual perspectives of two Indian American protagonists. While Dimple is fighting her family traditions, Rishi couldn't be happier to follow in the footsteps of his parents - could sparks fly between this odd couple, or is this matchmaking attempt doomed to fail? Menon wrote an utterly delightful novel and broke my heart by writing an ending because I want nothing more than to keep reading about Dimple and Rishi forever . . . I'm looking forward to it being a huge hit of 2017. Book Riot Funny, warm, and utterly charming . . . Sandhya Menon is a welcome and needed new voice in YA. Katherine Webber.
