BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. It s the summer of 1981. Newly widowed Bessie Halstone is fleeing Belfast with her young son, Herkie. She s wrongly suspected of pocketing 10,000, the loot from a heist carried out by Packie, her late (and unmourned) husband. Bessie has plans. She longs to make a fresh start. But first she must reach the safety of her sister s home, in County Sligo, to borrow money for the trip. She doesn t make it. Car trouble forces her to sojourn in Tailorstown, a sleepy rural community. Her plans are put on hold as she decides to lay low for a while. She ll need cash. She finds work as a housekeeper for the handsome but mysterious parish priest. In the meantime, Lorcan Strong, an artist and a native of Tailorstown, is summoned home. With reluctance, he returns to the place where he feels almost a stranger, a town he has long outgrown. A chance meeting with young Herkie Halstone leads Lorcan into the world of the disenchanted Bessie -- and into a grave danger that has pursued them both from Belfast. The Disenchanted Widow is an unforgettable peek into small-town life in Ireland s recent past. It s a glorious successor to McKenna s first Tailorstown novel, The Misremembered Man.
