WW Norton Co, United States, 2005. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Hailed by Publishers Weekly as not only the best writing on the ever-changing folk singer, but also some of the best writing about any musician around, Studio A presents Bob Dylan's unique literary legacy in a collection that is quintessentially Dylan: mosaic, offbeat, poetic. This astutely chosen and intelligently annotated collection (Time Out London) gathers over fifty articles, poems, essays, speeches, literary criticisms, and interviews; many previously unpublished. Individually, these pieces offer insight into the man and his time, but collectively they reveal the coming-of-age of American cultural criticism in their sweeping view of both Dylan and the changing times he so eloquently captured in his music (Publishers Weekly). With Sam Shepard, Bruce Springsteen, Allen Ginsberg, Johnny Cash, Greil Marcus, Joyce Carol Oates, Gary Giddins, Rick Moody, Tom Piazza, Barry Hannah, and Dylan himself on the list of contributors, Studio A is truly a vital document (New York Times) for all fans.
