

Psychodrama

By Grete A. Leutz

Springer Aug 1986, 1986. Taschenbuch. Condition: Neu. Neuware - Like a pater familias, the pioneer of a scientific movement finds himself, after a long life of communicating his vision of the world, facing his offspring. Now it is their vision of the world he must share. He may find such confrontation painful or pleasant, depending upon how much of his own vision he has been able to impart and how much of it is relevant to the younger generation. This book of Dr. Gretel Leutz is just such an experience, fortunately a pleasant one. Dr. Leutz has, broadly speaking, divided her book into several sections which cover explanation of the technical aspects and of their anthropological roots, the wide scope of the three branches of the sociometric system known as group psychotherapy, sociometry and psychodrama, and she gives a glimpse of the import of these various approaches for the future of mankind. The conception and completion of this type of comprehensive book is no mean task and Dr. Leutz comes to it particularly well equipped. She was my collaborator on the translation of my book WHO SHALL SURVIVE into German in 1953, when it appeared...
