Createspace, United States, 2011. Paperback. Book Condition: New. William Washburn (illustrator). 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Coyote Recrudescence: The Monolithic Myth Multiplies! (SubQuantum Endothermic Edition). These twisted takes on traditional tales of the Trickster detail the continued frenetic mythopoetic adventures of the ancient Coyote in post-modern civilization as he steals, cheats and lies for pleasure and profit. Coyote reenters the modern world, drawn back in by the popular retelling of traditional trickster stories around charcoal fires in trailer parks. The world is confusing, but he manages to steal big and live big. Finally tired of fighting, and dying from cancer, he retired to Flalaland, moving into a retirement condo, and bringing unwanted excitement to the elderly inhabitants. But, the challenges of retirement are too daunting, and Coyote reenters the fray, to combat new monsters that threaten wildlife, while at the same time trying to get rich through pornography and banking. He competes in the Floridol singing contest, chews gum, meets a real vampire, and tries to earn a college degree. Having attracted the attention of the new sensitive military, he has to survive being used for animal experiments. He takes time out to become a new kind of superhero, Napman. He gets into new mischief through advertising, masks and genetic engineering-although the genetic changes that gave him dire wolf size, kestrel vision, and neon tropical fur sometimes backfire. He tries to develop his own religion to become powerful and wealthy. He has to avoid the vengeance of powerful people and restored gods, including Forest Trump, Sam McHooter, Adolf Wittenschneigel, Brigid (the Lady of the Lake), and Seth. Having alienated the new gods, from Gaia and Humanity to Bottomline and Media, he has to avoid their attempts to keep him in line...
