Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The American Library Annual: 1916-1917 This volume, the sixth successive issue of the American library annual, or the fourth by inclusion of its predecessor the Annual Literary Index, develops the plan outlined last year, of making each yearly volume of distinctive and permanent value by presenting annually features of a special character. Thus the summaries of representative libraries. Presented this year are from libraries other than the three-score included in the preceding volume. This feature was found widely acceptable last year, and it is believed will be of permanent record value, though it did not have the hoped-for result of substantially increasing the support of the volume and enabling larger extension. Among the new features this year which it is proposed to repeat from year to year, is the inclusion of the valuable summaries regarding reference books of the year by Isadore Gilbert Mudge and of library legislation from William R. Eastman. Another is the special list of libraries of religion and theology, complementing the lists of law and medical libraries presented last year. The development of special or business libraries...
